Mr. Bannar,

Thank you for submitting your Virginia Freedom of Information Act request, to the Fairfax County Department of Public Safety Communications, which was received on August 29, 2019, by email. This letter is in response to your request to obtain, "the two 911 calls placed by Joshua Cooke on February 17, 2003."

Please be advised, in accordance with the retention schedule established by The Library of Virginia (GS-17), this communications center retains audio recordings for a period of 180 days, after which, all audio recordings are automatically purged from the recording system, therefore, no audio recordings from February 17, 2003, can be provided as they no longer exist.

Should you have any questions or need further assistance, please do not hesitate to contact me at 571-350-1703, and reference internal order number **2019-FOIA-272**.

Sincerely,
